Conroy Gold and Natural Resources plc

("Conroy" or the "Company")

UPDATE ON NON-BROKERED PRIVATE PLACEMENT

- **Original Proposed Fundraise level is expected to be oversubscribed**
- **Proposed Fundraise upper limit increased to c. £1.3 million**

Conroy Gold and Natural Resources plc (AIM: CGNR), the gold exploration and development company focused on Ireland and Finland, announces that the Company has received expressions of interest from investors for a total amount of approximately £1.3 million in relation to its non-brokered private placement at a price of 8 pence per ordinary share of €0.001 ("Ordinary Shares"), the terms of which are set out in the Company's announcement dated 29 July 2026 (the "Proposed Fundraise").

The new Ordinary Shares to be issued directly in respect of the Proposed Fundraise (the "Fundraise Shares"), or indirectly as a result of any exercise of warrants being issued as part of the Proposed Fundraise, will be subject to a restricted or 'lock-in' period ending 4 months from the date of allotment of the Fundraise Shares.

The Proposed Fundraise is expected to be oversubscribed by reference to the initially proposed amount of up to £800,000. The interest is from both existing and new investors that can contribute to the success of Conroy and its "Discs of Gold" project and primarily from a number of long-term value investors from North America. The Company, having taken into account both the strong support and the backgrounds of the investors, has decided to increase the upper limit of the Proposed Fundraise to c.£1.3 million.

It is expected that the subscription funds will be received in full by 15 August 2026 following which the Company will make an application for admission of the Fundraise Shares to trading on AIM.

A further announcement will be released at the appropriate time.
